Editorial Manager<sup>®</sup> makes it possible for authors to submit manuscripts via the Internet, provides online peer review services, and tracks manuscripts through the review process. Key features include automatic conversion of

authors' submissions into PDF format as well as supporting submissions in various file formats and special characters.

After the system goes into operation in April 2008, authors are requested to use Editorial Manager<sup>®</sup> for all submissions of new manuscripts.

New Information for Authors for online submission will be available at the end of March at the *Environmental Health and Preventive Medicine* Web site: <http://www.springer.com/EHPM>.
